VB Timeshare Rentals, Inc. fee is 20% of whatever the unit rents for. There is no fee unless we rent it for you. We will contact you with any offers on the rental but you can check out our other listings on our website based on resort, week, size and view of unit as to what the going rental prices are. There is no guarantee that your resort property can be rented at any particular price or within any particular time period, but VB Timeshare Rentals, Inc. will try our best to rent every property we list and will give you advance notice if it looks like we aren't going to get it rented so you may choose to release to the resort for rental, bank with the exchange company or use yourself!
